

1000-Hour Repeat Cycle Timer

Repeat Cycle Timer with Cycle Progress Display

General Description

The OPCO 1000-Hour Repeat Cycle Timer is a fully programmable multi-function timer with selectable timing ranges. The large 4 digit LCD display permits easy programming and viewing of such variables as cycle progress, set point time value, output relay status and lubrication on/off time ranges. All functions including current program status are backed by 10 year

EEPROM memory allowing the timer to return to the point at which the power interruption occurred and proceed to execute the programmed timing cycle.

The timer is available on new equipment as well as for retrofit to existing equipment and is provided with clear, concise programming instructions located inside the timer enclosure.

- High Resolution for precision on/off times
- EEPROM Memory to prevent over or under lubrication
- Cycle Progress Display for monitoring
- Preset Display to check on/off set times

General Specifications

INPUT POWER	
Part No. 805979	24 VDC 10%
Part No. 805980	115VAC 50/60 hz 1 phase 15% 230VAC 50/60 hz 1 phase 15%
Input Power Consumption	8VA at 115VAC, 0.5W at 24 VDC
Repeat Accuracy	0.05%
Protection Rating	NEMA 4 (IP 65) Timer Housing Only
Dielectric Strength	3000V (IEC 255-5)
OUTPUT	
Type	SPDT Relay
Switching Current	8 Amp AC Resistive 8 Amp DC Resistive
Switching Voltage	250VAC, 250VDC
Power Rating	1250VA, 80W
Mechanical Life	20 x 10 ⁸ Operations
Electrical Life	200 x 10 ³ Operations
Operating Temperature	14°F to 122°F -10°C to 50°C

WearMaster Lubricants

Using the right lubricants and matching the lubricant to the conveyor can save money lost to wear, downtime and extra energy consumption. Graco has developed a complete line of lubricants for all conveyor applications, designed to keep your system running smoothly.

Recognized worldwide as lubrication systems specialists, we have years of experience in every aspect of conveyor lubrication-from equipment design, sales and installation to lubricant sales, systems service, consultation and custom problem-solving. As a result, we're familiar with your needs and concerns. We can supply you with the WearMaster lubricants that will provide the best results in your conveyor system.
